pH	E 70	**~1.0**
RI	N/A	**~7**

04 // APPLICATION

Caution: Avoid contact with plastic, rubber, or chrome trim. If contact occurs, simply rinse area with soapy water. Using rubber gloves, apply solution liberally, and cover surface of vehicle. Let dry 5-10 minutes and vehicle will take on a frosted appearance. Using a wash mitt soaked in solution, scrub vehicle to remove fallout. Wash vehicle with soap and rinse well. Chamois dry if desired.
