AUTOMOTIVE GLASS CLEANER
PRODUCT PERFORMANCE & DATA SHEET

#6297

GLASS CLEANER CONCENTRATE

01 // OUTSTANDING FEATURES

- Removes dirt and film without streaking.
- Contains alcohol and ammonia for extra cleaning ability.
- Highly dilutable and economical to use.

02 // DESCRIPTION

A highly concentrated glass cleaner designed to cut through the toughest film on glass and mirrors. For best results dilute up to 20 to 1 with water.
