VEHICLE ODOR TREATMENT

#1065 ODOR-B-GONE FOGGER

01 // ABOUT

ODOR-B-GONE™ Fogger is a special blend formulated to neutralize odors that form in the evaporator core, air-conditioner housing, and vehicle interiors. This formula effectively combats the negative charge of bacteria and other odor- causing material at the source. Odors caused by mold, bacteria, pets, smoke and other containments are encapsulated and rendered odorless by the advanced technology of ODOR-B-GONE™ Fogger.

02 // PRODUCT BENEFITS

- **Odors are eliminated, not masked**
- **Fast, easy, and reliable application**
- **Versatile and economical–treats A/C system and interior surfaces simultaneously**
- **Neutralizes contaminants that can cause health problems**
