DURABLE & HYDROPHOBIC

#2108 SURFACE CERAMIC SPRAY

01 // ABOUT

A specialized blend of anti-static and ceramic agents designed to produce a water beading, brilliant, long-lasting shine. MP Surface® uses a combination of UV filters and stabilizers to guard against harmful UV rays and environmental contaminants such as brake dust, dirt, dust, and industrial fallout. Surface® bonds with vehicles clear coat to create a durable, hydrophobic surface, and it's safe for all vehicle surfaces, including wheels and trim.
