#5128

KNOCKOUT DRESSING

01 // OUTSTANDING FEATURES

- A ready-to-use water-based dressing for rubber, vinyl and plastic.
- The outstanding floral fragrance is pleasing for the user and also aids in deodorization of vehicle interiors.
- This product is the industry standard for universal, water- based dressing.

Performance ratings // Gloss 7 // Durability 3

02 // DESCRIPTION

Knockout Dressing™ is a universal, water-based, silicone-protectant. This product is bright white in color and has a clean, floral aroma. Knockout Dressing™ protects, beautifies and restores tires, vinyl, rubber and leather.

03 // SPECIFICATIONS

TEST	ASTM METHOD	TYPICAL RESULTS
Appearance	Aqueous emulsion	**Body Shop Safe**
Color	Milky White	**VOC Compliant**
Odor	Floral	**Biodegradable**
Density, U.S. (lbs/gal) @ 60°F	D1250	**8.32 lbs/gal**
Flash Point (°F) PMCC	D 93	**N/A**

04 // APPLICATION

Spray evenly on a clean, dry tire. Do not wipe. Allow to dry thoroughly until dressing turns from white, milky look to a black shiny surface. On other surfaces, apply dressing with a clean cloth. Allow to dry and wipe off excess. Warning: As a tire dressing, excess product should be wiped from surface to prevent “sling,” which can stain some painted-plastic surfaces.
