#28062

PRECISE FINISH

01 // OUTSTANDING FEATURES

- Removes minor swirl marks, holograms and micro marring
- Produces a smooth, high clarity, high gloss finish
- Ideal final step prior to waxes, sealants or coatings
- Balanced micro abrasive blend for professional finishing
- No residue, no dusting, long working time
- **100% body shop safe** // no silicones, fillers or waxes

02 // DESCRIPTION

PRECISE ™ FINISH is a unique balance of abrasives and cleaners to remove any minor paint imperfections such as swirl marks, holograms, and minor surface imperfections. PRECISE ™ FINISH is the last step in the paint correction process before any additional paint protection products are applied. PRECISE ™ FINISH is body shop safe and does not contain silicone, wax, or fillers.
