#0411 MULTI-VEHICLE SYNTHETIC ATF

01 // ABOUT

A special blend of fully synthetic base oils combined with a multi-functional additive system that provides superior anti-wear protection and performance in virtually all types of passenger and commercial automatic transmissions. It offers excellent high & low temperature fluidity, shear stability, seal protection and oxidation resistance. This premium formula may be used in place of synthetic fluids required or specified by a wide range of OEMs, including those used for extended drain and severe duty intervals.

02 // PRODUCT BENEFITS

- **Fully-synthetic formula; not a synthetic blend.**
- **Highly resistant to shearing, oxidation, and thermal breakdown.**
- **Provides excellent flow properties at low temperatures and film protection at high temperatures.**
- **Outstanding anti-wear properties to protect transmission parts.**
