RESTORE & PROTECT

#51502 REFRESH TRIM RESTORER

01 // ABOUT

Bring back that deep, rich black appearance to all non-painted exterior plastic, vinyl and rubber surfaces. Formulated to restore faded, weathered trim to its original, showroom-new appearance. The non-greasy formula dries quickly and will not streak when treated surfaces get wet. Shake well and apply a dime-sized drop trim restorer to a clean, cool surface using a microfiber foam applicator pad.

02 // PRODUCT BENEFITS

- **Restores Faded Trim.**
- **Long-Lasting, Hybrid Ceramic Protection.**
- **Non-Greasy, Quick-Drying Formula.**
