REMOVE VARNISH

#0120 DOUBLE CLEAN

01 // ABOUT

A powerful solvent blend that will quickly remove gum, varnish, carbon and other deposits from the throttle-valve, throttle-body, idle-air control valves, PCV valves, plenum and other parts of the air-induction system. It can improve engine performance by dissolving those deposits which build up and cause rough idling, hard starting, stalling, and poor acceleration. As a result of its cleaning process, harmful exhaust emissions can be significantly reduced.

02 // PRODUCT BENEFITS

- **Dissolves gum and varnish deposits that cause rough idle.**
- **Reduces harmful exhaust emissions.**
- **Improves engine performance.**
- **Will not harm oxygen sensors or catalytic converters.**
