RESTORE HORSEPOWER

#1120 TURBOCLEAN COLD-SIDE TURBO CLEANER

01 // ABOUT

TurboClean is specially formulated to remove carbon buildup from the cold-side of the turbocharger and intake system. Its power solvents quickly dissolve harmful deposits and varnish, improving acceleration, throttle response, and fuel efficiency. Safe for both gasoline and diesel engines.

02 // SERVICE BENEFITS

- **Cleans turbocharger without dismantling**
- **Restores power and performance**
- **Enhances fuel efficiency**
- **Easy to use spray application**
- **Prevents costly repairs**
