DISSOLVE IT

01 // OUTSTANDING FEATURES

- Removes built-up contaminants and debris quickly and easily.
- Can avoid the need for disassembly of parts.
- Just spray and allow surface to dry.
- Contains no fluorocarbons or chlorinated solvents.
- Not for sale or use in California and OTC States.

02 // DESCRIPTION

A specially formulated blend of solvents designed to dissolve, disperse and remove contaminants and other organic material from a variety of surfaces. This non-chlorinated, CFC-free formula dries quickly and does not leave a residue or oily film behind. The multi-purpose solvent works well on metal parts, equipment and for various automotive or industrial uses.
