PARTS WASH

01 // OUTSTANDING FEATURES

- Contains no fluorocarbons to adversely affect the ozone layer.
- Contains no chlorinated solvents to contaminate waste oil, resulting in high cost of disposal.
- Cleans quickly, thoroughly, and economically.
- Will not rust metal surfaces like some water- based cleaners.
- Helps reduce labor costs and save time.

02 // DESCRIPTION

A solvent cleaner designed to remove grease, grime, oil and other debris from fabricated parts. It dries quickly and leaves no residue. Warning: Flammable.
