AUTOMOTIVE DEODORIZER
PRODUCT PERFORMANCE & DATA SHEET

#05911

PRE-TREATMENT & DEODORIZING SOLUTION

01 // OUTSTANDING FEATURES

- 10 to 15 minutes to complete service.
- Fog penetrates hard to reach spaces.
- Removes musty odors and smells that cling to interior surfaces.

02 // DESCRIPTION

The Airborne Defense Fogger reaches throughout the vehicle's interior, penetrating hidden spaces to eliminate odors safely and effectively. The dense fog removes pet, food, and those musty odors and smells that cling to surfaces, air vents, interior cracks and crevices.
