#1020

CLEAR LIQUID LUBE

01 // OUTSTANDING FEATURES

- 3-in-1 formula penetrates, lubricates, and protects.
- Heat and water resistant.
- **Multiple uses** // automotive and Marine: door, trunk & hood hinges, brake & gear assemblies, seat tracks, battery terminals, cables, antennas; Bike and Motorcycles: chains, gears, cables; Home: garage door tracks, locks, fishing gear, lawn & garden equipment.
- Clear formula offers a superior alternative to the messy discoloration of White Lithium Grease.
- Unique formula cures to a gel that clings to surfaces and resists slinging, drips and "squeeze-out".

02 // DESCRIPTION

This multi-purpose lubricant reduces friction and wear between metal to metal surfaces, increasing lubricity even at high temperatures. This unique formula forms a barrier which helps resist rust, water, alkalis, salt and other elements. Clear Liquid Lube allows you to spray into tight, hard-to-reach areas and clings to vertical surfaces. It resists “throw-off” (slinging), squeeze-out and wash off.

03 // SPECIFICATIONS

TEST	ASTM METHOD	TYPICAL RESULTS
Color	N/A	**Hazy, Light Amber**
Odor	N/A	**Solvent**
Density, U.S. (g/ml) @68°F	D1298	**~0.80**
Density, U.S. (lbs/gal) @68°F (Calculated)	D1250	**~6.7**
Aerosol Flammability, NFPA 30B	N/A	**Level 3**
VOC, %	N/A	**~20**

04 // APPLICATION

Shake well before using. Holding can 4 to 8 inches from surface to be lubricated, spray area. Allow a minute for product to set up as a gel. Use extension tube for hard-to-reach areas.

05 // PACKAGING

FILL	CASE QTY	CASE WT
8 oz.	12 Cans	10 lbs.
