02 // DESCRIPTION

A VOC-compliant, silicone-based dressing that leaves a glossy, long-lasting, water-resistant shine. This dressing helps restore, beautify, and protect tires, trim, moldings, and other exterior surfaces. Bright Shine also restores rubber and plastic surfaces depleted by UV damage.

04 // APPLICATION

Make sure tires or trim are clean and dry before applying product.

1. Apply product with a trigger sprayer, sponge, or brush until there is complete coverage.
2. Allow product to dry and wipe away excess with a clean towel (to prevent "sling"). Important! Excess product and improper application of dressings on tires may result in product “sling” or splatter which can stain adjacent painted surfaces of a vehicle.
