REMOVE SURFACE DEFECTS

#28042 PRECISE CUT

01 // ABOUT

Formulated to aggressively correct while finishing clean, Precise™ Cut removes severe surface defects while maintaining long working time and excellent control. 100% body shop safe: no silicones, fillers or waxes

02 // PERFORMANCE BENEFITS

- **Removes P1000 grit and finer sanding scratches and surface defects**
- **Effective on newer, harder to buff clear coats**
- **Advanced micro abrasive technology for a controlled, consistent cut**
- **No sticking, no dusting, no film residue**
- **Extended work cycle reduces rework and pad loading**
- **DA Orbitals - use 70300 wool or 70325 foam cutting pads**
